# Service

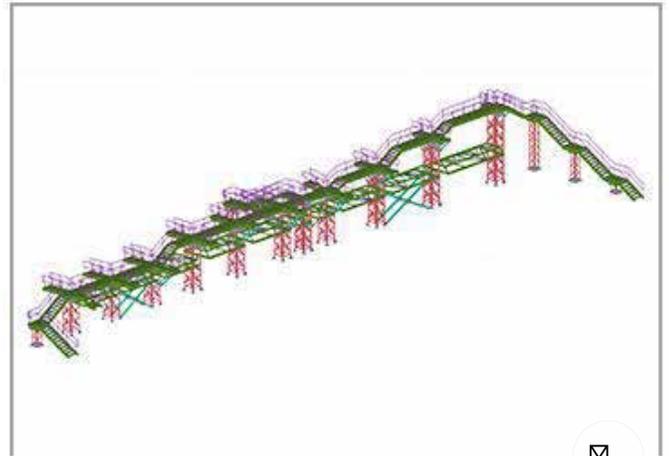

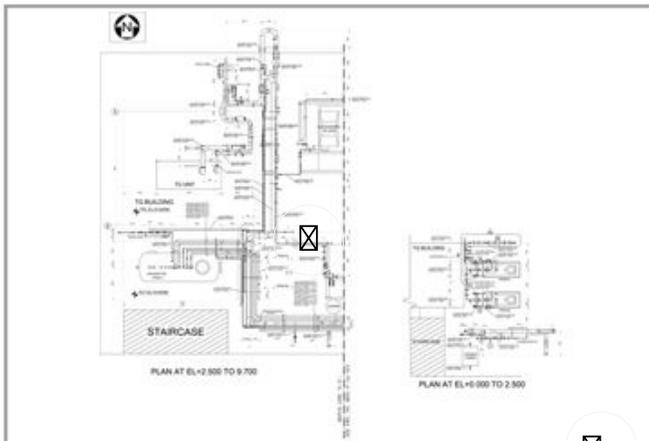

## Civil Engineering

### SALIENT FEATURES

- Latest software are used
- Carried out by experts

### OTHER DETAILS:

- Wind load analysis
- Seismic load analysis
- Calculation of loads on civil
- Preparation of foundation load data
- Designing and detailing

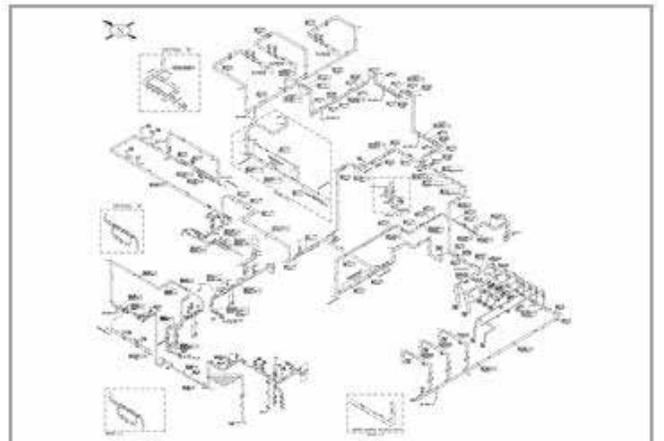

## Structural Engineering

### SALIENT FEATURES

- Latest software are used

### OTHER DETAILS:

- Wind load analysis
- Seismic load analysis
- Calculation of loads on structures/ civil
- Designing of structural members
- Preparation of foundation load data
- Calculation of loads on structure
- Designing and detailing steel

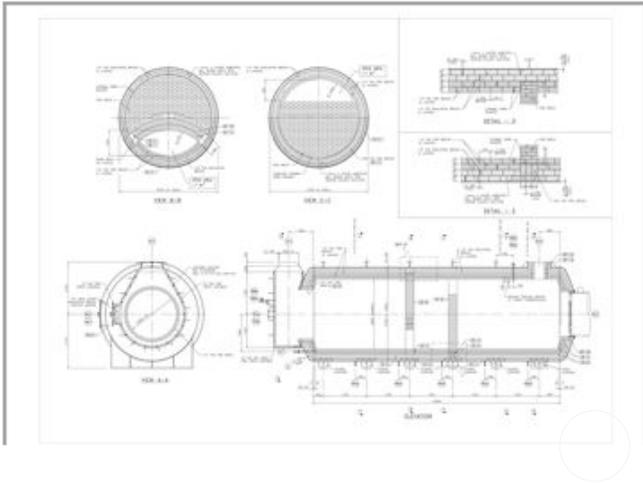

## Piping Detailing Engineering

### SALIENT FEATURES

- Latest software are used
- Carried out by experts
- Optimum quality

### OTHER DETAILS:

- Preparation of Equipment and Piping Layout
- Piping isometric generation & it complete BOM
- Provides expertise in 3D modelling

## Piping stress analysis

### SALIENT FEATURES

- Latest software are used
- Carried out by experts

### OTHER DETAILS:

- Linear Static and Non-Linear Stress Analysis
- Dynamic Stress Analysis
- Earthquake Seismic Analysis
- Natural frequency Analysis

## Detailing and Drafting

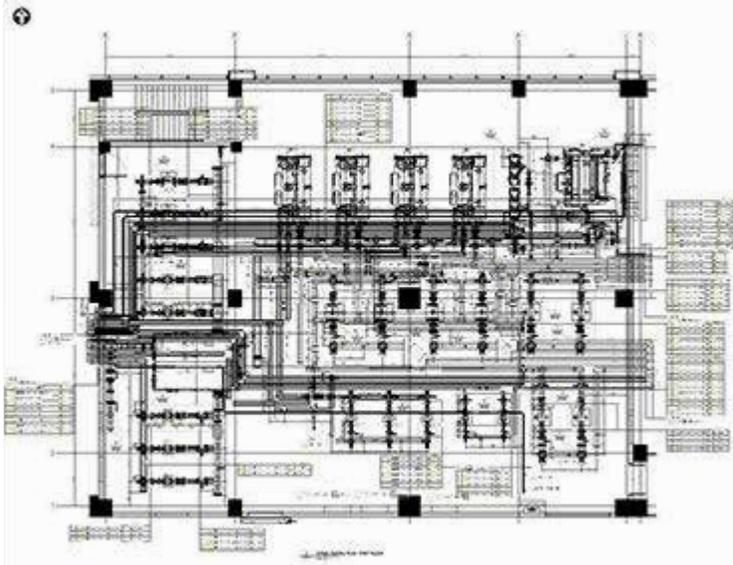

### SALIENT FEATURES

- Latest software are used
- Carried out by experts

### OTHER DETAILS:

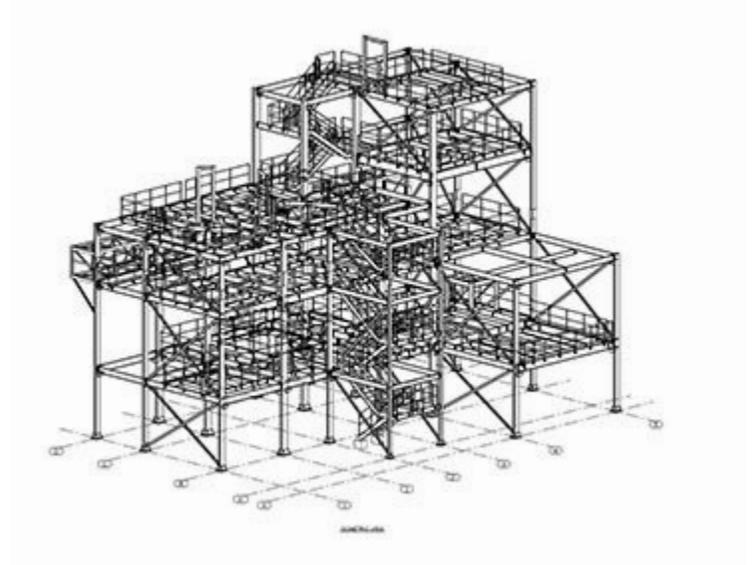

- Timely Executed
- Skilled Manpower
- 2D / 3D Drawings
- Preparing Shop Drawings

# Projects

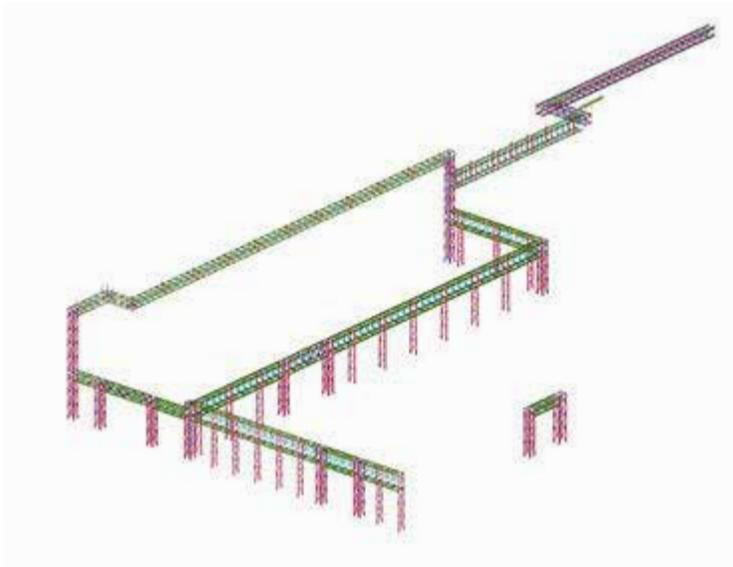

## Greenfield piping & structural detailing

Client name : Fluidline Engineers & Fabricators Pvt. Ltd.  
Consultant : L & T Integrated Engineering Services.  
Project : Greenfield Piping Layouts, Isometric, MTO & Preparation of Shop fabrication using TEKLA for piperack's and platforms and its BOQ.  
Location : PepsiCo, Chennai.  
Status : Completed

## Structural detailing

Client name : Fluidline Engineers & Fabricators Pvt. Ltd.  
Consultant : TATA Consultancy & L & T Technology Services  
Project : Preparation of Shop fabrication using TEKLA for piperack's and platforms and its BOQ.  
Location : Colgate Pamolive Ltd., Sanad, Ahmedabad.  
Status : Completed

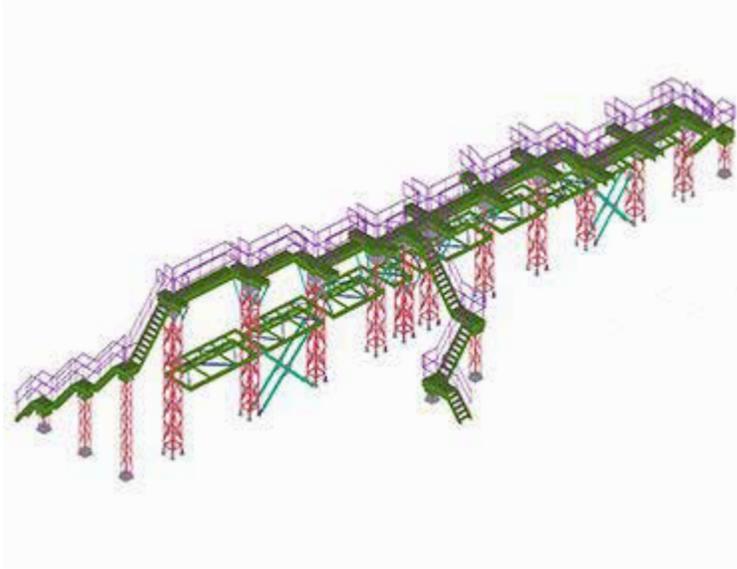

## Structural design & detailing

Client name : Fluidline Engineers & Fabricators Pvt. Ltd.  
Consultant : Sabyasachi Sen & Associates.  
Project : Design of Platforms, Piperack & Preparation of Shop fabrication using TEKLA for internal hanging supported and external piperack's and platforms and its BOQ.  
Location : Emami Cosmetic Ltd. Assam.  
Status : Completed

## Piperack detailing

Client name : Fluidline Engineers & Fabricators Pvt. Ltd.  
Consultant : Jacobs Engineering India Pvt. Ltd. Gurgaon, Haryana  
Project : Preparation of Shop fabrication using TEKLA for 1.5km piperack and its BOQ.  
Location : Serum Institute Of India Pvt. Ltd. Manjari, Hadapsar, Pune.  
Status : Completed

## Structural Detailing

Client name : Fluidline Engineers & Fabricators Pvt.Ltd.  
 Consultant : Tata Consulting Engineers Ltd.Mumbai  
 Project : Preparation of Shop fabrication using TEKLA for 8 piperack's and 3 platforms and its BOQ  
 Location : Kansai Nerolac Paint Ltd. Amritsar.  
 Status : Completed

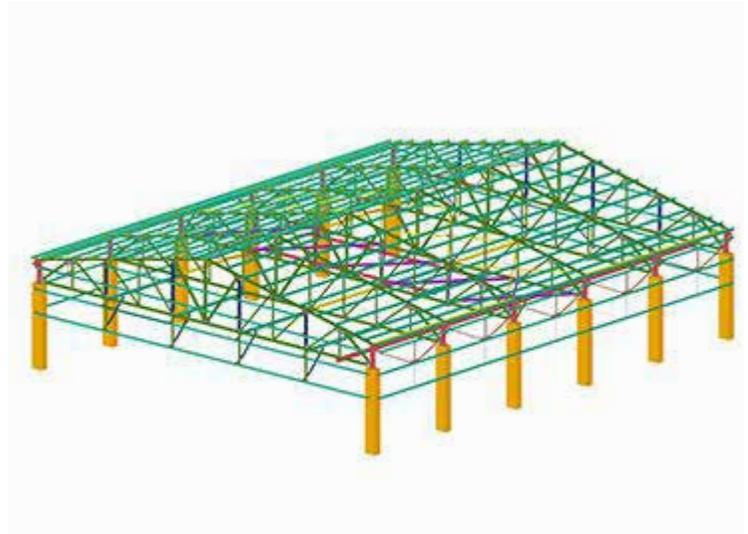

## Design detailing of structural gantries & Platforms

Client name : RUD India Chain Pvt. Ltd.  
 Consultant : Jacobs Engineering India Pvt. Ltd. Mumbai  
 Project : Design of Platforms, Gantries & Preparation of Shop fabrication using TEKLA for 11  
 Gantries and 2 platforms and its BOQ.  
 Location : Gujarat Heavy Chemical Ltd. Somnath.  
 Status : Completed

## Structural shed detailing

Client name : Kalpataru Power Transmission Ltd.  
 Consultant : Oil & Natural Gas Corporation Ltd.  
 Project : Preparation of Shop fabrication using TEKLA for structural 3 Shed's and its BOQ.  
 Location : Akhdol, Nawagam & Koyali.  
 Status : Completed

## Structural Detailing

Client name : Kalpataru Power Transmission Ltd.  
 Consultant : Engineers India Ltd.  
 Project : Preparation of Shop fabrication using TEKLA for 14 piperack's and 2 platforms, 1 shed and its BOQ.  
 Location : Bharat Petroleum Corporation Ltd. Haldia.  
 Status : Completed

## Structural shed detailing

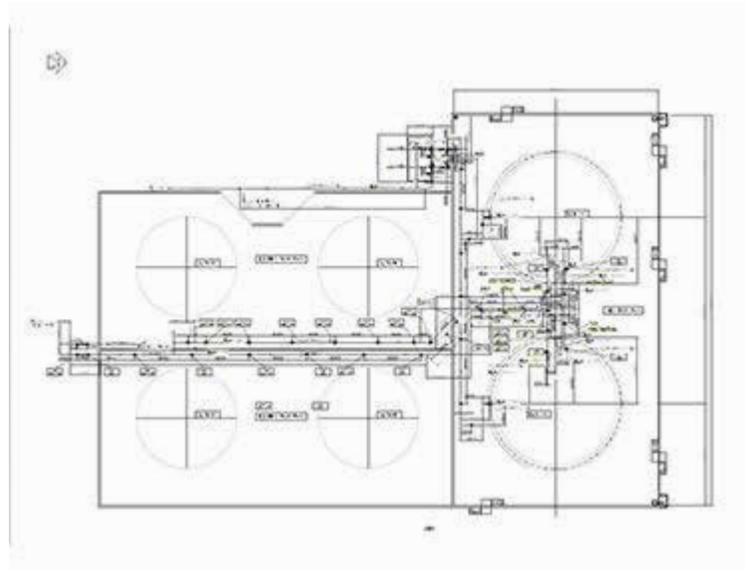

Client name : Kalpataru Power Transmission Ltd.

Consultant : Indian Oil Corporation Ltd.

Project : Preparation of Shop fabrication using TEKLA for structural Shed and its BOQ.

Location : Indian Oil Corporation Ltd. Durgapur.

Status : Completed

## Acid storage Tank, Piping & Platforms

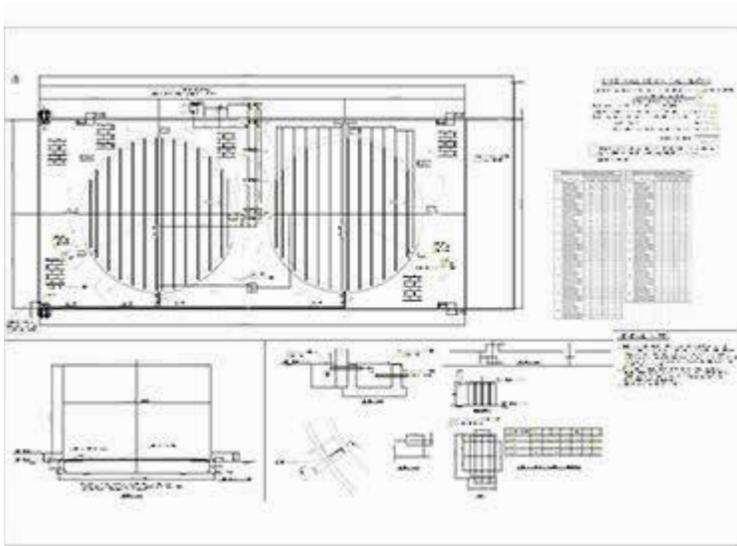

Client name : Shiv Sulphuric Solution (OPC) Pvt. Ltd.

Consultant :

Project : Acid Piping, Layouts, Isometrics, MTO, Stress Analysis, Support Layouts, Support Details and its BOQ, Acid Storage Tank Design and drawings, Rafter and Platform Staircase.

Location : Coromandel International Ltd. Kakinada.

Status : Completed

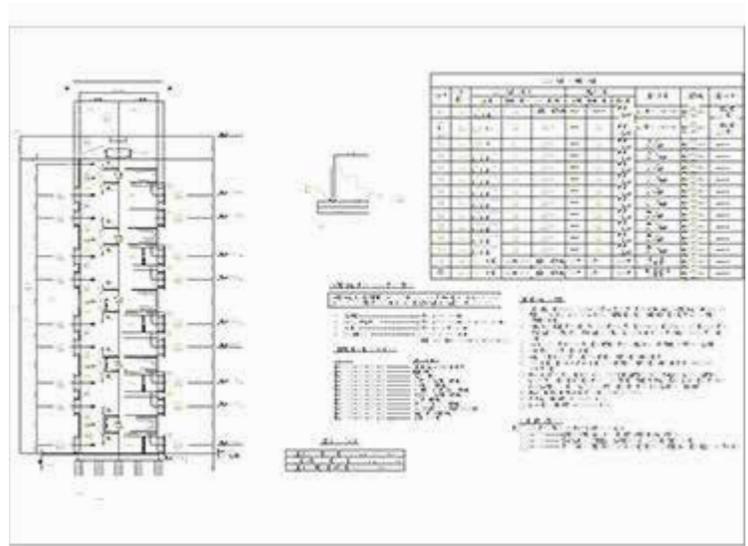

## Acid storage Tank, Piping & Platforms

Client name : Shiv Sulphuric Solution (OPC) Pvt. Ltd.

Consultant :

Project : Acid Piping, Layouts, Isometrics, MTO, Stress Analysis, Support Layouts, Support Detail and its BOQ, Acid Storage Tank Design and drawings, Rafter and Platform Staircase.

Location : Coromandel International Ltd. Vizag.

## Converter design & drawings, Ducting

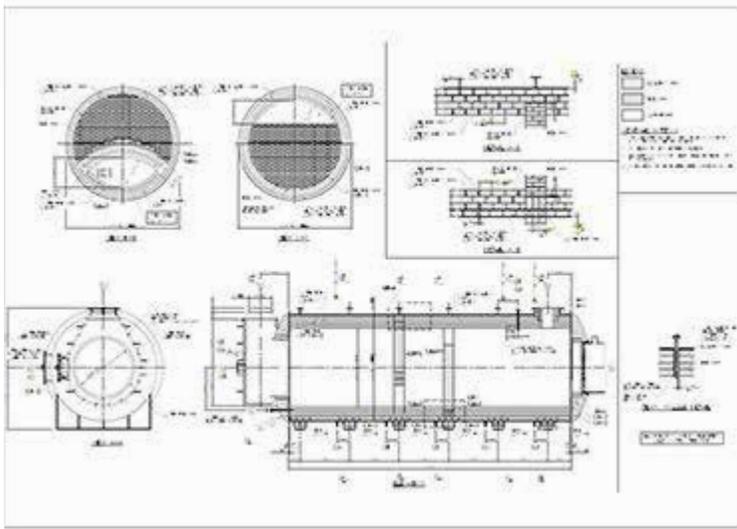

Client name : Shiv Sulphuric Solution (OPC) Pvt. Ltd.

Consultant :

Project : Converter design & Drawing, Ducting

Location : Amal Ltd.

Status : Completed

## Ducting, Sulphur Furnace drawings

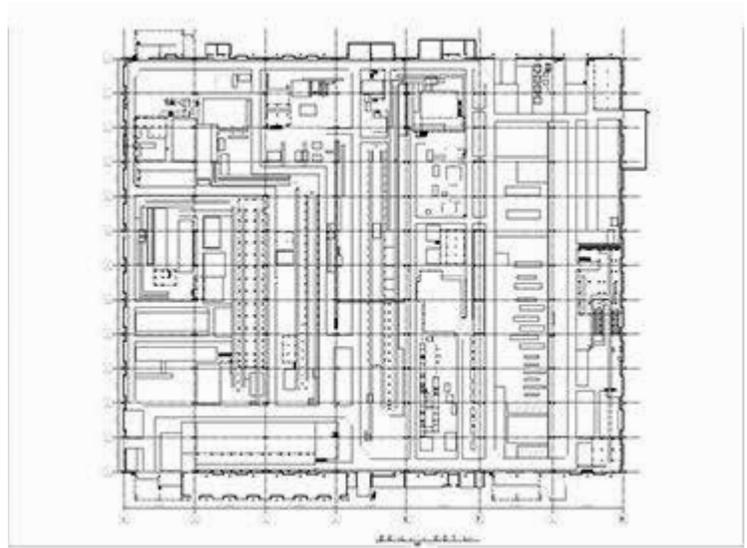

Client name : Shiv Sulphuric Solution (OPC) Pvt. Ltd.

Consultant :

Project : Ducting, Sulphur Furnace drawings.

Location : Atul Ltd.

Status : Completed

## Structural stability of roofing system & As-Built Services

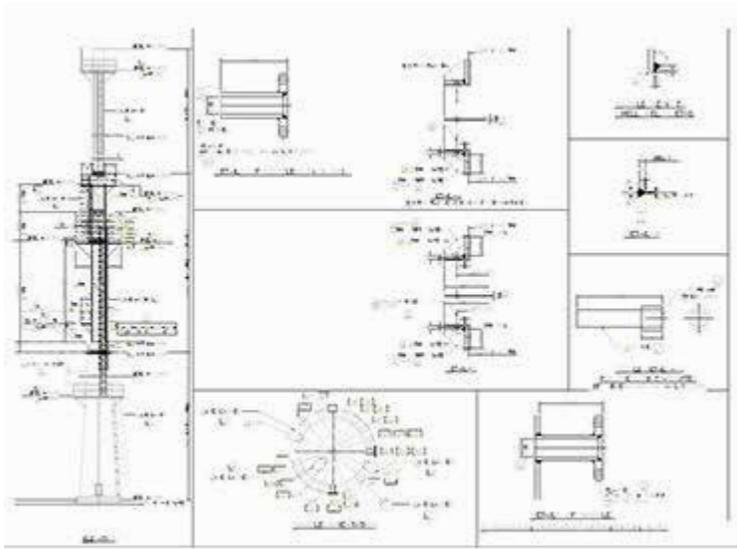

Client name : Godrej & Boyce Mfg. Pvt. Ltd.

Consultant :

Project : Consultancy services for structural stability of roofing system & Asbuilt services.

Location : Post-Wing, Shirwal, Takula- Khandala, Dist- Satara.

Status : On Going

## Modification of stack

Client name : Shiv Sulphuric Solution (OPC) Pvt. Ltd.

Consultant :

Project : Modification of stacks as per client's requirement.

Location : IRC Agro Chemical Pvt. Ltd. Haldia

Status : Complete
